Shalom

The Messianic Israel Alliance (MIA) as a representative of the people of Ephraim currently under the punishment of exile, we do hereby proclaim our repentance, and our desire to be restored as part of the imperishable Nation of Israel. As B'nai Yosef (Sons of Joseph) and companions, we desire to be reunited with our brother, Judah and his companions, for the restoration of all things, as written by our Prophets in the Holy Scriptures.

At our annual Convention, which will be held in St. Louis, Missouri, United States, this August, we will take the initial steps toward establishing legal and international recognition of the exiled people of Ephraim, and formally establish a Provisional Israelite Council in Exile. We are taking this step in order to re-establish our fraternal bonds with the House of Judah, primarily represented by the Jewish people, with the goal of having one united and eternal house of Israel.

We do not intend to subvert, claim any form of right to sole rulership of Israel, or undermine the present legitimately elected government of the present Israel or its sovereign right to rule, based on free elections. It is our desire to be part of the coming nation of Israel, which will inhabit the lands promised Abraham, Isaac, and Jacob. Therefore, we consider the Provisional Israelite Council in Exile a temporary vehicle which will allow us to rightfully return to our historical home as accepted and reunified members of the everlasting nation of Israel.

It is our desire to work, in earnest sincerity and honesty, with the existing government of the State of Israel, the recently established New Jewish Congress, the Jewish settlers now living in Judea and Samaria in order to be restored to these historical territories, and allowed to freely return to the Land of Israel so that we can fulfill the writings of the Prophets and the Holy Bible. We will do all in our power to do this in a spirit of cooperation and mutual respect, as brothers and equal heirs.

As a first key step towards restoration with our brother Judah and the end of our exile we echo the sentiments of a letter written by the former Prime Minister of Israel, Menachem Begin, to President Ronald Reagan on September 5, 1982. This letter defined the Government of Israel's position regarding the "West Bank," at that time.

Menachem Begin wrote, "What some call the "West Bank," Mr. President, is Judea and Samaria; and this simple historic truth will never change. There are cynics who deride history. They may continue their derision as they wish, but I will stand by the truth. And the truth is that millennia ago there was a Jewish [Israelite] kingdom of Judea and Samaria where our kings knelt to GOD, where our prophets bought forth the vision of eternal peace, where we developed a rather rich civilization which we took with us, in our hearts and in our minds, on our long global trek for over 18 centuries; and, with it, we came back home. "

Secondly, we recognize that the instructions given by the Holy One of Israel to the Prophet Ezekiel are the true "roadmap" to give life and hope to the "dry bones of the whole house of Israel," by restoring the Davidic kingdom:

The Almighty commanded Ezekiel, "Take for yourself one stick and write on it, for Judah and for the sons of Israel, his companions; then take another stick and write on it, for Joseph, the stick of Ephraim and all the House of Israel, his companions.' Then join them for yourself one to another into one stick, that they may become one in your hand....I will take the sons of Israel from among the nations...and bring them into their own land...I will make them one nation in the land....and David My servant will be their prince forever....and the nations will know that I am the LORD who sanctifies Israel, when My sanctuary is in their midst forever"(Ezekiel 37).

To fulfill the historic truth declared by Menachem Begin it is our intention to follow the instructions given to Ezekiel. The portrayal of the stick of Judah being made one with the stick of Joseph will serve as a standard for all Israel to gather around, and work towards the establishment of the Davidic Kingdom.

We attach, to this letter of introduction an offer to purchase denied but potential rights to land, believing that your approval will serve as a giant step towards the regathering of the lost sheep of Israel back to their own soil (Jeremiah 23:1-8).

In the Service of the Holy One of Israel,

Scott Diffenderfer, Executive Director
